2023

FENCE REPAIRS

► The crew has been making temporary and permanent fence repairs due to the January storm and also just from general aging until our contractor can make permanent repairs. Wishing Trail has been a particular area of focus.

TOWNHOME MILDEW CLEANING

► Our crew began soft washing the townhomes that receive less direct sunlight, and therefore have mildew creeping up the siding now.

MILDEW REMOVAL

► Crew soft washes brick panels, columns, arbors, mailboxes, sidewalks, playgrounds and wood fencing to remove mildew and dirt

BENCH INSTALLATION

- The bench pads for SRA, SPOA, and SCA were completed and the crew installed 17 benches and trash cans.

Wood Finish

The crew sands down, soft washes, and refinishes and seals wood trellises, arbors, benches & fencing where needed.

MAILBOXES

- Mailboxes in Sienna are maintained and replaced by the Association. We paint, soft wash, repair, and replace them when needed.

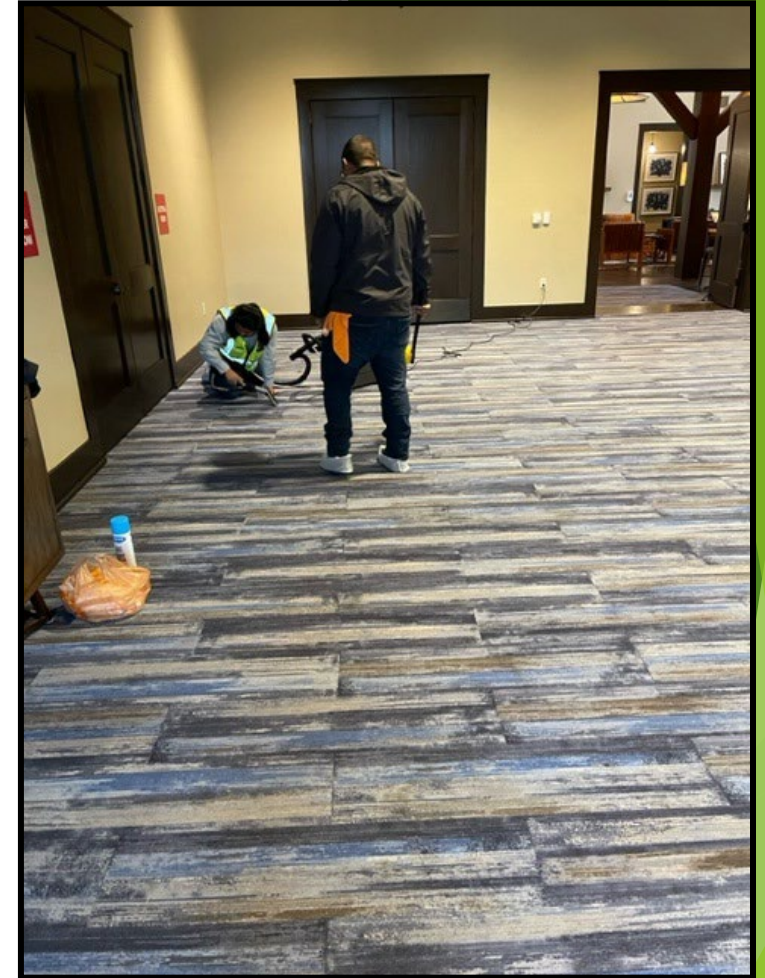

SEASONAL COLOR CHANGE

- ▶ After the freeze, the landscape contractor replaced the dead flowers with pansies.

FACILITY MAINTENANCE

The crew soft washes, does paint touch-ups, spot cleans and makes repairs at all facilities and parks when needed.

Together We THRIVE
