NOW, THEREFORE, SPCAI hereby issues the following Notice Regarding Community Fences and Walls:

## I. DEFINITIONS

- 1.1 **“Community Fences”** shall refer to those walls, fences, and the fence posts, pillars, and all integral parts of those fences, identified on Exhibit “A” attached hereto and incorporated herein by reference for all purposes. A Community Fence is a fence or wall that has been installed by the Declarant [Not a Builder] and is maintained by the SPCAI. Community Fences will generally be a six to eight (6-8) foot upgraded wood fence that has been stained, wrought iron painted black or green, or brick walls. A fence will not be considered a Community Fence unless it is identified on Exhibit “A” which may be supplemented from time to time as such fences are constructed.
- 1.2 **“Community Fence Lot”** shall refer to a Residential Lot upon which a Community Fence is located, or adjacent to, see Exhibit “A”.

## II. COMMUNITY FENCES

- 2.1 Pursuant to Section 8.05 of the Covenant and the Partial Assignment, the Community Fences set forth on Exhibit “A” are hereby made subject to the Easement referenced in Section 8.05 of the Covenant, and SPCAI hereby designates the Community Fences set forth on Exhibit “A” as Common Area for which SPCAI has the right to maintain, repair or replace as it deems necessary in its sole discretion.
- 2.2 When all or any portion of the Community Fence needs to be maintained, repaired and/or replaced, SPCAI shall have the right to maintain, repair and/or replace the Community Fence in a manner and appearance determined in its sole discretion to be appropriate. There is no requirement that SPCAI replace a Community Fence with the materials as originally constructed.
- 2.3 Pursuant to the Easement established in Section 8.05 of the Covenant, SPCAI, subject to notice as may be required in the Covenant, shall be entitled to enter upon a Community Fence Lot and cause to be performed any of SPCAI’s maintenance and repair and/or replacement of the Community Fences set forth on Exhibit “A”. In exercising its rights set forth herein in the Covenant, SPCAI shall not be subject to any liability for trespass, other tort or damages in connection with or arising from such exercise of its rights, nor in any way shall SPCAI or its agents, be liable for any accounting or other claim for such action.
- 2.4 SPCAI is not liable for any loss or damage to i) landscaping (soft or hardscape) that encroaches upon a Community Fence and/or ii) any existing materials that are affixed to the Community Fence (including but not limited to any owner fencing that is connected to a Community Fence and any owner’s decorations or other personal items) that may occur in the course of maintenance, repair or replacement of a Community Fence.

2.5 SPCAI's right to maintain repair and/or replace the Community Fencing extends only to normal wear and tear of such fencing. Any damage caused to the Community Fencing by an Owner or Occupant that is beyond normal wear and tear shall be the Owner's obligation to repair and/or replace, subject to prior written approval in accordance with the governing documents for the Development. SPCAI has the sole discretion to determine what constitutes normal wear and tear. This provision is not in any way meant to limit the liability of an Owner for any obligations set forth in the Covenant.
