

**CERTIFICATE OF COMPLIANCE AND ESTOPPEL CERTIFICATE  
POLICY-For Properties with Existing Improvements  
Sienna Business Association  
Sienna Property Owners Association**

STATE OF TEXAS §  
  §  
COUNTY OF FORT BEND §

**I. PURPOSE**

The Certificate of Compliance Inspection is a process whereby Association Staff Members inspect all properties within Sienna that are on the market to be sold. The inspection focuses on issues of compliance within the deed restrictions and architectural (new or modified) approvals. The purpose of this inspection is to inform both the Owner and Purchaser of any outstanding violations that currently exist on that Property and to inform the Purchaser that deed restrictions are strictly enforced.

**II. APPLICABILITY AND AUTHORITY**

This Policy pertains to the following entities and encumbers that property restricted by the SBA Covenant and the SPOA Declaration:

1. Sienna Plantation Business Association, Inc., sometimes doing business as Sienna Business Association (“SBA”) as referenced in the Sienna Plantation Commercial Amended and Restated Master Covenant (Sienna Plantation Business Association, Inc.), filed under Clerk’s File No. 2016024161 in the Official Public Records of Fort Bend County, Texas (“SBA Covenant”), as same has been or may be amended from time to time and any other property which has been or may be subsequently annexed thereto and made subject to the authority of SBA
2. Sienna Plantation Property Owners Association, Inc., sometimes doing business as Sienna Property Owners Association (“SPOA”), as referenced in the First Amended and Restated Declaration of Covenants, Conditions and Restrictions for Sienna (Sienna Property Owners Association) recorded under Clerk’s File No. 2022016010 in the Official Public Records of Fort Bend County, Texas (“SPOA Declaration”), as same has been or may be amended from time to time, and any other property which has been or may be subsequently annexed thereto and made subject to the authority of SPOA.

Any reference in this Policy to “Board”, “Boards”, “Association” or “Associations” applies to all of the above-mentioned entities. Any reference in this Policy to “Owner” has the corresponding meaning ascribed to that term in the SBA Covenant or the SPOA Declaration, as applicable.

Each Board is authorized by its respective dedicatory instruments to adopt policies pertaining to the governance of the Association that it serves.

Invalidation of any one or more of the covenants, restrictions, conditions, or provisions contained in this Policy shall in no way affect any of the other covenants, restrictions, conditions, or provisions which shall remain in full force and effect.

### III. PROCEDURE

- 1) The Owner has the responsibility of notifying Sienna Association Staff when their Property is on the market. Association Staff will also accept requests for inspections from real estate agents, lawyers or title companies working on behalf of the Owner. A Certificate of Compliance inspection must be requested in writing by use of the attached form and the Inspection Fee (see request form for schedule of fees) must accompany the request. Association Staff must receive this request at least seven (7) business days prior to the scheduled sale or conveyance of the Property, although earlier requests are encouraged.
- 2) Upon receipt of the request for inspection, Association Staff will go out to the Property and perform a visual inspection. This inspection will be limited to the exterior portions of the Property that are visible from public view. Areas of focus, as example, will relate to the condition of the building exterior (i.e. brick, stucco, siding, roofing and roof top vents, stacks, etc., gutters, windows, trim, shutters and doors); signage (building, window and ground mounted); landscaping (parking lot screening, building screening, as well as proper maintenance); site improvements (lighting, dumpster enclosures, parking lot striping, mechanical equipment screening, etc.).
- 3) As a result of the inspection, one of three reports will be issued:
  - (a) Certificate of Compliance - signifies that, as of the date of the report was issued, the Property is in Compliance with all of the deed restrictions and regulations of the Sienna Associations.
  - (b) Certificate of Compliance With Conditions - signifies that, as of the date of the report was issued, the Property is in Compliance with all of the deed restrictions and regulations of the Sienna Associations, with the exception of the items specifically noted on the report. It will detail the violations and explain what needs to be done to bring the Property into full compliance.
  - (b) Certificate of Non-Compliance - signifies that, as of the date of the report was issued, the Property is not in Compliance with all of the deed restrictions and regulations of the Sienna Associations. This generally means that there are one or more significant deed restriction violations. This report will also detail the problems and explain what needs to be done to bring the Property into full compliance.
- 4) The inspection report will be issued within five (5) business days after Association Staff has received an official written request. The report will be sent to the current Owner, with a copy going to the Owner's real estate agent and the designated title closing company. It is the Owner's responsibility to make sure that all of the information in the report is fully disclosed to the Purchaser or prospective Purchaser.

Request for Certificate of Compliance must be made on the approved request form and submitted to the Sienna Associations at 9600 Scanlan Trace, Missouri City, Texas 77459 or email at [communitystandards@clubsienna.com](mailto:communitystandards@clubsienna.com) . Payment is required with the request form. No inspections shall be conducted without the completed form and payment of fees. See the request form for schedule of fees. For additional information, call 281-778-0778.

**ESTOPPEL CERTIFICATE (Optional)**

If an Estoppel Certificate is desired, Association Staff will prepare one using the standard Sienna Estoppel Certificate form. Please see the request form for details on fees. In order to have a completed Estoppel Certificate, a Certificate of Compliance inspection is required. The appropriate request form and fees must be received in order for Association Staff to complete the Estoppel. Requests for Estoppel Certificates should be submitted to the Sienna Associations, attention Community Standards, or via email to [communitystandards@clubsienna.com](mailto:communitystandards@clubsienna.com).
