The amount of the damage/security deposit is set forth in the Facility Rental Fees provided with this Policy. Provided, however, if the proposed event is to include activities which, in the opinion of the Association, create additional risk to the facility or furnishings, or necessitate additional custodial services, the Association is authorized to require such additional amounts for the security deposit as the Association deems commensurate with the additional risk or services required.

Purpose and Use of Security Deposits

The security deposit shall be used to repair, replace or compensate for any property of the Association which is damaged or missing as a result of use by the Applicant and Applicant's agents, contractors, licensees, invitees, participants and/or guests or shall be used to compensate for the minimum number of hours of rental and the Association costs established on the accompanying fee schedules if the Applicant does not show or the event is terminated due to violations of the requirements to comply with laws, ordinances, Rules, Regulations, Policies or other Dedicatory Instruments. An additional charge will be billed to the Applicant if damages or the Association's emergency response exceed the security deposit.

Applicant is required to leave the Facilities in the same condition as found upon arrival. Applicant assumes liability for the cost of repairing damage or loss to Association property caused by Applicant and Applicant's agents, contractors, licensees, invitees, participants and/or guests, and agrees to reimburse Association for all costs which may be incurred in excess of the damage/security deposit for repair, replacement, or payment for any property of the Association which is damaged, destroyed, misplaced or stolen, by Applicant, participants or guests.

In facility use during non-profit hours by non-profit organizations or community groups, in the event there are damages, Applicant assumes liability for the cost of repairing damage or loss to Association property caused by Applicant and Applicant's agents, contractors, licensees, invitees, participants and/or guests, and agrees to reimburse Association for all costs which may be incurred in excess of the damage/security deposit for repair, replacement, or payment for any property of the Association which is damaged, destroyed, misplaced or stolen, by Applicant, participants or guests. Until the Association has been compensated for such loss, said organization shall no longer have access to Facilities.

Should an event's actual attendance exceed the designated number on the application by 10% or more, Applicant will forfeit their security deposit in full. Should an event not conform to or otherwise deviate from the description provided at the time of application, Applicant will forfeit their security deposit in full, the Association reserves the right to terminate the event immediately, and any fees paid will not be prorated or returned for early termination.

60 – 16 days prior to rental – forfeit 50 % of rental fees
