

POOLS ARE OPENING - Are You Ready?

Pools open for the regular pool season at the end of May - in time for the Memorial Day weekend holiday! But will you be ready? Residents must have an Amenity Access Credential or a Sienna resident ID to access the community pools (ID cards or Access Credential are required at the Fitness Centers and Racquet Courts as well). The Sienna Amenity Access Credential is housed on your phone within the Sienna app and serves as your Sienna ID. The Sienna app is free and available for download through your App store.

If you've lost your existing Sienna ID card, it will be replaced with a new Amenity Access credential (minimal fee is required, as it would be for a replacement card). The online form for a replacement or new Credential is available at Siennanet/Quick Links/Amenity Access Form. Please fill out the form in its entirety and be sure to label any individual's photo with a name that corresponds to those listed on the form. After receiving a completed form, Amenity Access Credential requests will be processed during regular operating hours and may take up to two (2) business days. Incomplete or mislabeled photos/documents may delay approval.

For more information and instructions on how to use the app - including a helpful video - visit Siennanet/Quick Links/Mobile Amenity Access.

WE NEED YOU! Can You Help?

<https://www.flashvote.com/siennaassociations> or call 775/235-2240 to participate by phone or text only.

Signing up takes less than one minute and your input is always kept anonymous. Personal or demographic information collected by FlashVote is never shared with governmental entities or anyone else. When you sign up, you can determine how surveys are received - whether by email, text or phone call. Residents will receive a notification whenever there is a new survey, and you will have 48 hours to participate before voting closes. Once a survey is closed, everyone who participates will automatically receive a summary of the overall results and be able to see how their responses compare to the group.

Sign up now so you don't miss the first survey. If you've already signed up, thank you!

Do you have about one minute a month to help make your community better? The Associations are working with FlashVote to engage the community and gather valuable input from all residents to inform the Associations' decisions. Interested residents are encouraged to sign up today at
