Any reference in these Rules to “**Board**”, “**Boards**”, “**Association**” or “**Associations**” applies to each of the above-mentioned entities as the context requires. Any reference in these Rules to “**Sienna**” collectively means that property encumbered by the SCA Covenant, SPOA Declaration, and the SRA Declaration. Each Board is authorized by its respective dedicatory instruments to adopt rules and policies pertaining to the governance of the Association that it serves. In the event of a conflict between the terms of these Rules and any previously adopted rules, regulations or policies addressing Common Area rules, dissemination of information within Common Areas, and enforcement guidelines regarding same, these Rules will control.

Invalidation of any one or more of the covenants, restrictions, conditions, or provisions contained in these Rules will in no way affect any of the other covenants, restrictions, conditions, or provisions which will remain in full force and effect.
