🚧 UPCOMING OVERNIGHT ROAD CLOSURES: Sienna Ranch Road 🚧

Tuesday, November 10 to Thursday, November 12

As part of the ongoing Toll Road extension project, the **Fort Bend County Toll Road Authority** will close Sienna Ranch Road at the Fort Bend Parkway overnight. These temporary closures are required to safely pour the concrete bridge deck and perform related structural activities for the new Toll Road bridge spanning over Sienna Ranch Road.

Here is what you need to know if you are traveling overnight:

🗓️ THE SCHEDULE (Weather Permitting)

- **When:**
  - 🗓️ **Tuesday night, November 10**
  - 🗓️ **Wednesday night, November 11 (if necessary)**
  - 🗓️ **Thursday night, November 12 (if necessary)**
- **Hours: 8:00 PM to 5:00 AM** each night

🚙 DETOUR INFO

Thru-traffic will be detoured along Sienna Springs Road, Fort Bend Parkway frontage roads, and Sienna Parkway. Please follow all posted detour signs and local police, and plan for minor delays.

⚠️ **Toll Waiver:** Tolls will be **waived** during these closure hours (**8:00 PM to 5:00 AM** both nights) at the **Sienna Ranch toll plaza only**.

🏘️ NEIGHBORHOOD ACCESS WILL BE MAINTAINED

Local access to all residential side streets will stay open during construction:

- **North of the construction zone:** Neighborhoods off of Celebration Way, Aqua Falls, and Pecan Estates can still be reached from Sienna Ranch Road & the westbound Fort Bend Parkway exit ramp.
- **South of the construction zone:** Neighborhoods off of Old Point Drive and Tivoli Lane can still be reached from Sienna Ranch Road.

⚠️ SAFETY FIRST

Please avoid the active construction zone. Local police will be present to assist traffic and provide safety visibility while heavy machinery, cranes, and large trucks are operating overnight.

Thank you for your patience as we move this regional infrastructure project forward!
